

INSTITUTE ON THE ENVIRONMENT

IonE Leadership & Education Opportunities

At the [Institute on the Environment](#) (IonE), we have many upcoming opportunities, including internships, scholarships, leadership development and events. Could you please share the following opportunities with students you know?

Undergraduate & Graduate Opportunities

[Sustainability Symposium - Submit a Proposal by March 12](#)

Are you a student working on a sustainability project, artwork, or environmental research? Submit your proposal by Tuesday, March 12 (it's a short process!) to share your work and network with others at the [Institute on the Environment's](#) annual Sustainability Symposium, Friday, April 12, 11:30 am - 4:30 pm. Students who present at the Symposium are eligible to win prizes - last year's was \$150! There will also be sustainability professionals at this event, which will make this a fantastic opportunity to network. Questions? Email sustainu@umn.edu.

[Student Impact Awards, up to \\$500 - Nominate by March 20](#)

Do you know an undergrad, grad, or student group on any U of M campus who has made significant contributions to creating a more sustainable future? The [Institute on the Environment](#) and UMN Systemwide Sustainability Offices invite nominations for the third annual Student Impact Awards. Award recipients will be recognized at the [Sustainability Symposium](#), on Friday, April 12, 11 - 4:30 pm. Students receiving an award will be recognized between 4 - 4:30 pm. Individual student awards are \$500 and collaborative projects will receive grant funding.

Undergraduate Internship & Scholarship Opportunities

[Sustainability Corps - Apply by March 20](#)

Are you an undergraduate at the University of Minnesota Twin Cities with an interest in sustainability? Looking for a summer internship? Apply for Sustainability Corps by March 20th. Sustainability Corps members can receive up to \$3,500 (about \$16/hour).

[Fall Sustainability Internships \(Up to ~ \\$16/hr\) - Register for SUST 4096](#)

Are you an undergraduate at the University of Minnesota Twin Cities with an interest in sustainability? Looking for a fall internship? Register for SUST 4096 during course registration.

INSTITUTE ON THE ENVIRONMENT

Students with financial need may apply for an Ecolab Experiential Education Scholarship to fund their internship at ~ \$16/hr.

Graduate Opportunities

[IonE Graduate Leaders Application \(\\$2k stipend\) - Apply Now!](#)

Are you a U of M graduate, professional, or postdoc student on the Rochester, Duluth, or Twin Cities campus and are passionate about environmental topics? We are seeking eight students to serve as [IonE Graduate Leaders](#) to facilitate four cohorts of [IonE Graduate Scholars](#). Cohort topics include: Agriculture & Climate, Ecosystem & Planetary Health, Renewable Energy, and Boreas Sustainability Leaders. IonE Graduate Leaders are paid a \$2,000 stipend and participate in a year-long leadership development program. Questions? Email ionegrad@umn.edu.
