

YOUR FUTURE MAY START HERE

APPLY FOR A SUMMER INTERNSHIP AT THE METROPOLITAN COUNCIL

For the summer we are offering employment with learning opportunities for qualified post-secondary students.

Who We Are

First of all, we provide efficient, award-winning services. ever ride a light rail train or a Metro Transit bus? that's us. we collect and clean most of the region's wastewater. and we provide housing services for people with low incomes.

Looking 30 years ahead, we plan for the region's future. Our goal? A metro area that is livable, prosperous, sustainable, and equitable for all.

You Can Be Part of the Action

Our strong vision attracts doers and thinkers who want to make a difference. At the Metropolitan Council, we offer an opportunity to empower individuals like you to improve our communities.

The skills and knowledge you acquire here will serve you well as you shape your future and the community. We offer a unique internship experience while you work with us:

- On the job training
- Professional Relationships
- Participation in team projects
- Enriching professional development

Besides paying you for your work, we provide free transit passes that are valid throughout your internship.
